Motions received to amend playing rules

President discussed the process of bringing playing rule changes to the Delegates and Committee meeting. Changes proposed are following the Grading and Fixtures sub committee consideration of changes proposed by the MAAC Black Captain.

A proposal to change the make up of the Grading and Fixtures sub-Committee was proposed as per documents circulated prior to the meeting.

A vote by delegates was held and the changes proposed were defeated by greater than 70% majority. As such the current version 9 of the Playing Rules stay in place.

No further business and the meeting closed at 8.26
